A Word From the Sale Committee

It is with great pleasure and satisfaction that we present this 1976 "TOP TEN" sale offering to you. Again, no effort was spared in selecting the cattle for this year's sale as we have quite a reputation to live up to as the 1973 and 1974 sales were very successful.

With the great type of females selling at premium all over the country, we are confident there will be more of the "right" kind offered here than at any other time or place. Study the pedigrees and footnotes carefully, and you will find an offering not only selected on eye appeal but also backed with generations of cattle known for size over the years. Ask the buyer of a top female or bull from past sales if he's not extremely satisfied with his purchase. All the consignors have made every effort to stand behind their consignments.

We urge you to make every effort to be here personally, but if you are unable to do so please feel free to contact any of the Committee for any questions you might have. We will do our best to give you an honest and fair appraisal of the cattle selling. We welcome you to join us in an informal get together the evening before the sale for the leisurely inspection of the cattle and a chance to visit the consignors. The Devils Lake area has many historical and recreational facilities available, so feel free to bring the entire family for an enjoyable outing.

Again, we welcome you to what we feel will be an offering second to none. Also plan on spending some time in the area. Quite a number of the consignors' herds are within an easy hour or two from the sale.

RON HOFSTRAND

General Information

TERMS: Terms of the sale are cash, payable to the clerk immediately following the sale.

GUARANTEE: All cattle sell under the standard guarantee recommended by the American Shorthorn Association.

INSURANCE: Will be available sale day at the clerk's desk. Insurance will be handled by Harding & Harding, Geneva, Illinois.

ANNOUNCEMENTS: Announcements from the block take precedence over printed material in this catalog.

HEALTH: Health certificates will be provided with each lot sold.

LIABILITY: All persons who attend the sale do so at their own risk. The owners, sale manager, ringmen or clerks assume no responsibility, legal or otherwise, for any accidents which may occur.

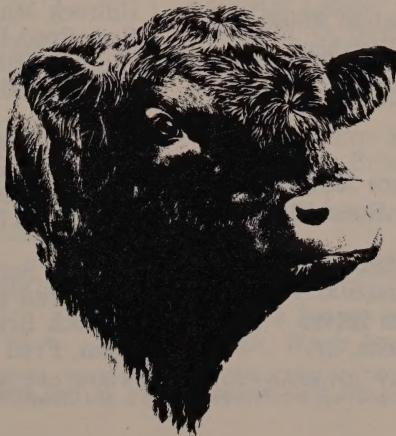

REGISTRATION AND TRANSFERS: All animals sell with completed pedigree in the hands of the sale manager or the American Shorthorn Association for immediate transfer to the new owner.

MAIL BIDS: We hope it will be possible for you to attend. If you cannot, mail or telephone your bids to the Sale Manager.

PHONES: SALE MANAGER: 701-466-2402; SALE HEADQUARTERS: 701-662-4001.

TRANSPORTATION: Air Transportation is available to Devils Lake, North Dakota.

DELIVERY OFFER: Cattle can be delivered to central points in the U. S. A. and to ports of entry in Canada at a cost not to exceed \$50 per head.

WESTON COUNTESS 90—Keeping in tradition with the \$3200 Weston Rosewood Jessie and the \$3550 Weston Luxury, we offer to share our breeding program with you. By Weston Dynamo, one of our main herd bulls, out of a full sister to Weston Goliath, heaviest bull in his class at Denver by 150 pounds & jointly with Allison's Homeplace Farm. Countess is nursing an outstanding red heifer by Weston Adventurer, Jr. herd sire owned with Scott Dau. Three times this past show season she stood above the Luxury Congress Champion Female. It is our hope to enter this young matron as a true sales attraction and offer to buy the calf at side at weaning time for one-third of the total purchase price of the pair if given the opportunity.

STANDARD GUARANTEE

Recommended by American Shorthorn Association

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers, sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial, for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.
